*WHO'S WHO IN THE CAST

JACK REED (Speed) — Jack, who began his career in upstate New York, made his first appearance on Long Island with the Orient Players in such shows as THE GAZEBO, THE MOUSE THAT ROARED, THIRD BEST SPORT and SABRINA. He won acclaim on stage with the NFCT for performances in THE MAN WHO CAME TO DINNER, HARVEY, THE LITTLE FOXES and JACK IN A BOX.

Last season he proved his multiple talents with his portrayals of the priest in LITTLE MOON OF ALBAN and the mobster in BELLS ARE RINGING.

Jack is Sales Service Manager for Long Island Oyster Farms, Inc., and lives with his two sons in Orient.

BOB ACKROYD (Felix Ungar) — Bob started his dramatic career in college and then directed and acted in several original musical productions with the Rockway Minstrel Players in his home state of New Jersey. Subsequently he appeared in leading roles and directed and produced with the Somerset Playmakers.

He moved to Long Island in 1968 and started working with the NFCT by producing and appearing in *THE LITTLE FOXES*. He has appeared on stage since then in *JACK IN A BOX* and *LITTLE MOON OF ALBAN*. When not acting he has given his time backstage on every production since joining us. Bob will be the producer for this year's musical *MAN OF LAMANCHA*.

LOU PADAVAN (Vinnie) — Joined the NFCT with the part of Giles Corey in THE CRUCIBLE and appeared in KISS ME KATE and THE POTTING SHED.

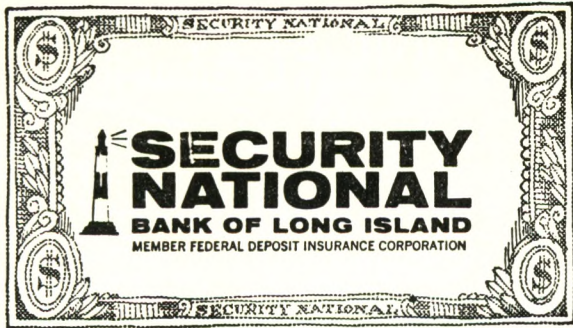

He's back with us after a two year break for graduate studies in English at C. W. Post. During that time he kept his hand in theater work by forming the Mill Road Players in Westhampton and acting and directing with that group.

Lou lives with his wife and four sons, ages 3, 5, 7, and 9 in Remsenburg and teaches English and Latin at Westhampton Beach High School.

He will be directing HAUNTING OF HILL HOUSE for us this winter.

MAUREEN CAHILL (Gwendolyn Pigeon) — I don't know where to start with Maureen's credits. Perhaps the best place is with her family — husband Don and 10 children ages 3 to 16.

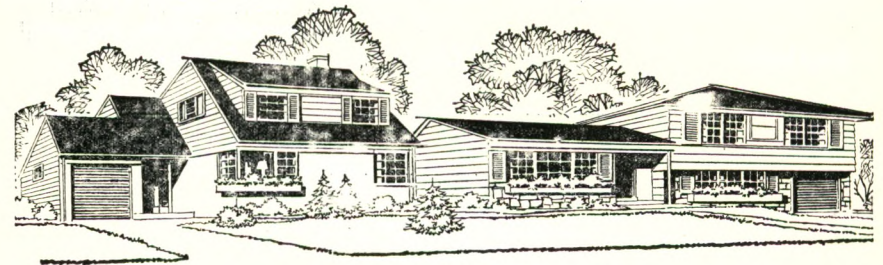

In her four years with the NFCT she has done almost every job connected with producing a play, from play reading committee to casting — from make-up to choreography. She appeared on stage in SHE LOVES ME and JACK IN A BOX and is now a member of the board of directors.

Away from this theater she has written, directed and appeared in neighborhood group satires and directed children's plays for C. Y. O. and other community organizations.

THE GOOD LIFE

Electricity has helped bring the good life to Long Island. Hand in hand with the responsibility to meet this demand for electricity is the obligation to protect our Island's natural resources. At LILCO, continuous checks by engineers, marine biologists, air-sampling technicians and ecologists are environmental projects that go on day after day. Concern for Long Island's environment has a direct bearing on the decisions we make in operating our power plants, landscaping our substations and on being a good neighbor in the communities where our installations are located. At LILCO, we put a lot of effort into the protection of Long Island's environment.

FRAN SCHMIDT (Cecily Pigeon) — Another new member this year, Fran tells me she was active with the Black Friar Players and in the Speech and Drama Club during her four years at the University of Alabama.

Since college she has been an English and Speech teacher and Drama Coach, most recently at Central High School in Valley Stream. Fran and her husband John moved from there a year ago to settle in Mattituck where they had spent 13 previous summers. They have two children — Peter who lives in Baldwin, and Mrs. Susan Alexander in Dallas, Texas — and two grandchildren.

FRANK STEELE (Murray) — Franks credits are endless! Everything from Educational TV to U. S. O. Tours. He's done summer stock and college productions from Pittsburg to Indiana.

For the NFCT — he appeared last season as Patch in LITTLE MOON OF ALBAN and Jeff Moss in BELLS ARE RINGING.

A remarkable man to all those who have had the chance to work with him, both on stage and behind the scenes.

DICK DRIES (Oscar Madison) — In going over old programs I find that Dick has been involved on stage in a number of productions. Because his name has appeared so frequently I'm not going to list all his credits and outside interests but simply remind you that you saw him last season as the "First Man" (Walter Mitty, General Grant, etc.) in A THURBER CARNIVAL and as Larry Hastings in BELLS ARE RINGING. Perhaps his biggest credit was his direction of LITTLE MOON OF ALBAN. I'm sure those of you who were fortunate enough to see it will agree that he and the actors and crews he directed made a worthwhile evening for us all.

DICK WINTERS (Roy) — In his great "modesty" Dick listed very few credits for me to write about. He appeared in WRITE ME A MURDER and did set construction for the BROWNING VERSION and Lights for BELLS ARE RINGING. He's the Vice President for the NFCT this year.

I will add to this by saying that in my time as a member I have seen Dick work on clean-up and construction crews and other "little" jobs that programs don't give credit for.

He's a pleasure to be around and a valued member of this group.

ABOUT THE DIRECTOR

PATSY TUCKER worked with theater at college and in summer stock. She spent a year in Turkey selling stocks and bonds, and has just moved to East Marion from New York City to teach the 4th grade at Greenport. During her year in New York she worked backstage on the off-Broadway production of YOUR A GOOD MAN CHARLIE BROWN.

You have seen her on stage here as Marion in ABSENCE OF A CELLO and she worked back stage with us for LITTLE FOXES and JACK IN A BOX. Last season she and her sister, Ann Richmond were the pianists for the spring musical BELLS ARE RINGING.

Although this is her first experience directing those who have been at rehearsals can tell you that her patience has made her a natural for the job.

ABOUT THE PRODUCER

JON RICHMOND joined the NFCT three seasons ago and since then has been active both on and off stage. Last year he and his wife Anne (ably assisted by their daughter Eleanor Anne) directed "Bells Are Ringing". He is a Microbiologist at the Plum Island Animal Disease Laboratory and Scoutmaster of Boy Scout Troop 306 in Orient, which is where he is busy restoring their new old home. When asked if he found it difficult to produce this show, Jon said: "With so many new and old members really wanting to pitch in and work — particularly our many student friends — the only difficulty was in finding enough jobs to keep everyone busy".
