PATTY

One small reason why we are planning
far into the future.

■ Patty has enjoyed the benefits of electricity from the day she was born in the hospital.

We forecast that when Patty is 10 years old, she and her parents and all the residents of Nassau and Suffolk counties will need DOUBLE the amount of electricity they use today! Obviously, new power plants must be built and transmission lines installed to deliver that power.

That's why at LILCO we are planning today for the future. We want to continue to provide our customers with a reliable supply of electricity, at a reasonable cost, and in line with environmental considerations.

Someday we're sure Patty will be glad we did.

After all, *electricity is for people.*

Maureen Cahill became President of the NFCT in June of 1972. It was a job she looked forward to and one she greatly deserved after having served in various capacities over the years. And now we are losing her.

In November of 1972 Don Cahill, Maureen's husband was made District Principal of Trumansburg, New York which, of course, forced the Cahills (all twelve of them) to pack up and leave their home in Cutchogue.

As always Maureen, as much as she hated leaving the North Fork and particularly her job as President of the NFCT, smiled and said; "Well, that's the way these things go."

I think we all know what a valuable member we have lost. On her own initiative two years ago Maureen began Youth On Stage. The first season they produced "The Music Man" and the second "South Pacific". Both were tremendous hits and benefited many groups in the community. A mother of ten children ranging from five to eighteen, Maureen found time to devote her energy to over one hundred children each summer for a period of eight weeks each. That's a lot of time in anybody's book!

In addition to Youth On Stage, Maureen has done lights, stage managed, produced, directed, done costumes, make up . . . in fact every job but props. She's not quite sure why she never got around to that one! And, of course, she has appeared many times

ALICE DART (Actress 4)

She is a lifetime resident of Southold and long time member of the NFCT. Alice has appeared in a number of productions through the years the latest was "Finian's Rainbow". Outstanding in her memory was the first musical the NFCT produced; "Guys and Dolls". It was a tremendous success in spite of the fact that the opening night was in reality dress rehearsal. Alice has also appeared in "The Stolen Will" produced by the Whitaker Historical Society. The play was acted out in the old style with asides to the audience. "Interesting and great fun," Alice says.

ELIZABETH (BETH) MILLER (Musician)

This is Beth's first appearance on stage with the NFCT. "See How They Run" found her working backstage this fall. Two summers ago she was in the chorus of "The Music Man" and also appeared in her high school production of "The Boy Friend". She is taking a year off from school but hopes to attend Dickinson College next year where she will major in English Literature and minor in Music.
