### *President's Message*

There are so many aspects to "putting on a show" that they are just too numerous to detail here. I ask you to just take a look at the cast and crew listed in this playbill. All are volunteers who have contributed their time, talents, and efforts to bringing this particular production to fruition. You, the audience, have the privilege of seeing the end results. Unlike Broadway productions, which go on for weeks, months, and years, the NFCT has five productions a year which require constant changes in cast and crew. Sometimes, many of the same people are involved with numerous productions throughout the year. We are always in need of volunteers to make things run smoothly. If you would like to be part of a production, please make yourself known to us. Fill out the form on the back of your program and check the appropriate box. What a great way to meet new people and make new friends while making a positive contribution to the efforts of keeping live theater continuing on the North Fork. I look forward to hearing from you. Now, sit back and enjoy the show.

Caroline Ciochetto,  
President NFCT
