A Message from the President

Welcome to our production of *The Pajama Game*. Originally opening on May 13, 1954, on Broadway at the St. James and subsequently running for 1,063 performances, it is now being presented for your entertainment by our very talented youth. In December of 1976, the membership of **The North Fork Community Theatre** was presented with a choice: to incorporate a youth program that had been hosted during the theatre's downtime in the summer or to let it end. In July of 1977, our first Youth on Stage production of *Li'l Abner* was presented. The years have passed and we now find ourselves producing our 29th YOS show. Over the years countless young people have worked hard and practiced long in order to bring live entertainment to your summers. We hope that you have enjoyed their efforts in the past, will enjoy them presently and will continue to do so in the future. We have certainly enjoyed presenting them to you.
