DAVID SEDARIS (Author): David Sedaris' books have been translated into twenty-five different languages. His essays appear frequently in *The New Yorker* and are heard on Public Radio International's *This American Life*. He is also the author of the play *The Book of Liz* with his sister, the writer and actress Amy Sedaris.

DANIEL YAIULLO (Performer): Daniel is a graduate of NYU's Tisch School of the Arts and has studied in Oxford at the British American Drama Academy. He most recently appeared as Hastings, Tyrell, and Richmond in Colin Palmer's production of *Richard III*. He is grateful for

the opportunity to perform this humorously biting holiday classic. He lives in New York City and would like it known that if he were an elf, his name, without a doubt, would be Crumpet.

COLIN PALMER (Director): Colin is an East End based theatre director and actor. Most recently, he directed and starred in East End Mobile Theatre's production of *Richard III*. Other directing credits include *Henry V* with Northeast Stage, *Titus Andronicus* with SB Pocket Theatre, *Glengarry Glen Ross*, *The Who's Tommy*, *Sex: aka wieners and boobs*, and *The Book of Liz* with Management Productions.

Wishing you a Happy holiday and a joyful New Year.

Best wishes from your friends at the North Fork Community Theatre

It takes a community...

Dear NFCT Friends,

The North Fork Community Theatre has performed in our beloved building for over 56 years! It is our "Home Sweet Home." A place where we can use our talents. A place where we gather with friends. A place we are proud of.

Right now, our "Home Sweet Home" needs our help. We are on the cusp of being able to do amazing renovations to our theater. I know we are all very excited about the renovations. We are looking forward to the orchestra pit, larger stage area, rehearsal room, and improved theater lighting and rigging technology. But to make the renovations a reality, we need all of us to work together to make it happen.

I ask you to please consider making a Holiday donation to the NFCT. We currently have raised over \$42,000 out of the \$60,000 matching donation, and we have until the end of the year to complete the match.

There is no donation too small. To put on a show we need everyone to do their part: from ushers to lead performers, with audience members to appreciate the show. Unless we all work together, we can not put on a show. It is the same with our renovation: we need everyone to come together and contribute in whatever way they are able to. From \$20 to \$2,000, each donation moves us forward.

This is our theater, and together we can renovate it. **It takes a Community.** Please consider giving a Holiday Gift to the NFCT. It will make a difference.
