## FROM THE DIRECTOR'S DESK

### Mattituck-Laurel Library: Your Community Library

Many of us remember visiting our local library as children and checking out books with stories about the natural order of things: the beauty of the world, the sky above us and the earth at our feet. Books that affirmed our lived experience, of a world we were bound to, with its ideas of honor, justice, friendship, courage, empathy that related to actual people and that are important for our daily life. At the library, very early on, we were assured that the world is shot through with meaning and value, and that we are its humble caretakers. In short, our childhood experience at the library served as an important part of our early introduction into a meaningful human community.

Mattituck-Laurel Library, your community library, is a vibrant, welcoming space for lifelong learning, discovery, cultural enrichment, and community engagement. We focus on offering a wide range of valuable resources as well as relevant and engaging programs that enhance the lives of our community residents. If you haven't made a connection with your library, please stop in. We are eager to welcome you.

This past year, we welcomed just over 50,000 visitors and 325 new patrons. We circulated over 80,000 items, both print and digital, with our digital resources continuing to expand in popularity. Access to eBooks, audiobooks, movies, tv series, magazines and more are made possible through our e-resources such as Hoopla, Libby, Kanopy and Flipster, to name a few. Explore our full offering of e-resources by navigating to our website; select "Research and Learn" on the menu bar, and then select "A to Z resources".

With the help of community partnerships and the careful planning of our Adult Services, Youth and Parenting, and Teen Departments, we hosted 473 programs and saw 7,800 attendees. In 2024, we hosted our first health fair, connecting our community to valuable health and wellness resources.

Our library building plays a central role in keeping our community connected not only through our materials, classes, and programs, but also through our Wi-Fi and computer services. Patrons and visitors enjoy access to our six public access computers which saw 3,294 unique sessions while our Wi-Fi had 3,686 guest connections.

Our three public meeting spaces saw increased use from various community groups, library programs and folks needing a quiet space to study, tutor, or work from home. We expanded meeting space by utilizing the kitchen for small groups and tutors as well as adding the local history area on the first floor as an open meeting space. If there's one thing we've learned over the past year, it's how differently our spaces are being used by our community. We continue to adapt and find new ways we can accommodate these changes.

For a small community library, we offer a wealth of services, resources and opportunities to connect.

For your consideration, the Board of Trustees present a budget for 2025 of \$1,739,353. This includes a Tax Levy of \$1,718,603 an increase of \$2.77 per thousand of assessed valuation. For the average household (assessed valuation of \$6,500) this year's increase amounts to approximately \$18 for the year.

Please support your community library by voting at the Budget Vote and Trustee Election at the Library on Tuesday, September 17th from 9am – 7pm. More information about the 2025 operating budget and trustee candidates will be available on the Library webpage. A Budget Information Meeting will be held at the Library on Monday, September 9th, at 5:00pm.

We can't wait to see you at the Library!

Warmly,  
Shauna Scholl, Director, and the Mattituck-Laurel Library Board of Trustees

## In the Library Art Gallery

### JULY 2024:

#### "TWO ARTISTS, ONE TRUTH – THE BEAUTY OF ORDINARY MIRACLES" ARTWORKS BY LOIS LEVY AND MAUREEN CAREY

Nothing is more inspirational than the natural world and the mystery evoked by its beauty. For us, this inspiration is acquired by being fully present when observing what a Divine Source has already created. Painting in this way is a form of meditation, being present and becoming absorbed by the subject's splendor. Its wondrous essence is always a challenge to duplicate on paper or canvas. Even in the most ordinary of nature's subjects, there is always a miracle to discover. We hope you enjoy viewing these artworks in various mediums and styles as much as we enjoyed the journeys of their creations.

"Maine Beauty" – M. Carey

"Nature's Paradise" – L. Levy

**All are invited to a reception being held in the Library's Art Gallery on Friday, July 19th, from 4-6 p.m.**

### AUGUST 2024:

#### "NATURE IN, NATURE OUT: A JOURNEY OF LINE AND NATURE'S SHAPES"

Watercolors by Debra Domingos "Nature In, Nature Out" depicts my coming to appreciate common elements that bind my work in watercolor, gouache and ink. Like mycelium, with branches and tendrils vital to every land and aquatic ecosystem, my lines, strokes, and amorphic shapes mimic those found in nature and wind their way in and out of every painting regardless of subject or medium. It has become my creative language.

"A Gift from Mary" – D. Domingos

Sometimes it speaks quietly and other times it shouts for attention. My hope is to invite you to "select pause" observe the common threads and join me in the awesomeness of nature

**All are invited to a reception being held in the Library's Art Gallery on Sunday, August 4th, from 1 - 3 p.m.**

CALL FOR ARTISTS: If you wish to exhibit your artwork at the Mattituck-Laurel Library, please contact our Gallery Coordinator, Diana Foster, at 631-298-4134 ext. 110.
